WHAT IS TEAM WIX?

The Team WIX racing sponsorship program provides local race teams across America with WIX racing gear, decals, and a 20% rebate on WIX racing filters. If our filters can withstand 600 grueling miles at a NASCAR® track – or a 300-MPH-run in the quarter mile – we know that kind of high- performance filtration technology can help you.

There's a reason why more NASCAR teams rely on WIX filters than any other brand. It's because our experience at the track has led to the development of products that take the toughest punishment racing, and cars in general, can dish out. From high temperatures to fluctuation in pressure to the rapid breakdown of engine oil, WIX understands the challenges you face – and we're here to help you overcome them.

HOW DO I JOIN?

Racing season is here, and there's no time to lose. Simply ask your WIX distributor where you buy WIX filters for a Team WIX sponsorship application. Then fill it out and send it in. Once it has been approved, we will send you a rebate form and 4 WIX decals for your racing machine. After that, simply send us back a photo of your Team WIX vehicle wearing the WIX decals and a copy of your purchase invoice of WIX racing filters or WIX/No-Toil ATV and Motorcycle filters. Then we will send you your 4 Team WIX t-shirts, confirmation of your enrollment in the sweepstakes and your rebate check. And be sure to visit us at wixfilters.com and teamwix.com.
